

Instructions on How to Order Dollar Drop Cards

These are eye-catching and look very realistic and folks keep them and show them to their friends as a conversation piece. They truly look like three 100-dollar bills folded. Simply ask folks to click on the QR Code inside and then download the app listed on the card.

Go to <https://BestMoneyCard.com> to order the cards. Click on “Order” at the top right, then select “We Design For You”.

Rider Card

These cards are intended to hand out to riders/friends/family/business associates. The “Rider” card says “Save Money On All Future Rides!” It Includes YOUR QR Code, “#1- Register Here – No Cost”. On the right, it says “#2- Download app **REVO Rideshare**”. In Custom Headline, enter “see below”. In Custom Message, enter “I want to order the REVO Rider card”. In Learn More, enter “Use my QR Code”. In Add an Image, click “Choose File” and either upload your QR Code or your REVO Referral Link.

Driver Card

These cards are intended to hand out to current Uber/Lyft drivers. The “Driver” card says “Make More Money! Even After the Ride”. It Includes 1 View Video (with QR Code), 2 Register (with YOUR QR Code), 3 Download app **REVO Rideshare Driver**. In Custom Headline, enter “see below”. In Custom Message, enter “I want to order the REVO Driver card”. In Learn More, enter “Use my QR Code”. In Add an Image, click “Choose File” and either upload your QR Code or your REVO Referral Link.

Custom Cards

You can also design cards as you like. Select “You Design Online and Save” under the Orders Tab and follow directions.

You can order in different quantities. If you order 1,000, it costs \$99.
Spend \$0.10 to earn \$1.00 a ride forever!
